OFFICE OF THE DEPUTY COMMISSIONER,
KOLAR DISTRICT
Dated 11th January 1904.

From:

F. E. G. Carr Esquire
Deputy Commissioner
Kolar District

To: A. V. Nanjundayya Esq.
Secretary to the Govt.
of Mysore
Genl. & Rev. Departments.

Sir:—

In submitting herewith an application from Venentaramana, a peon of the Goribidur Taluk, praying for the correction of the date of his birth in his Service Register, I have the honor to state that the peon was appointed on 1.7.94 and that the date of birth was entered in the Service Register as 1.5.1855. He says that this is wrong and that it ought to be 1864, his mother having told him that he was born in the corresponding Hindu year "Ikshaya". Except this, he does not seem to possess any other evidence.

to confirm his statement. But the Amildar reports that, to all external appearance, he is only about 39 or 40 years old and the Hospital Assistant who examined him, concurs with the Amildar's opinion and has given a certificate to that effect. The Amildar further reports that it is difficult to find out how the error crept in and thinks it was in all probability due to lack of sufficient investigation and care at the time of opening the Service Register -

Under these circumstances I request that you will be so good as to obtain the sanction of the Government for the alteration of the applicant's date of birth in the Service Register and other Government records.

The Vernacular records ending with Sub-Division Officer's No. 534 of 2-12-03 are herein enclosed.

I have the honor to be

Sir

Your most obedient servant
